Navy Electricity and Electronics Series (NEETS) CD-ROM
Frequently Asked Questions (FAQs)

1. How do I obtain a NEETS CD?

   Answer: The NEETS CD is available through normal supply channels. Use the following information to order the CD: SN: 0507-LP-013-7070, NAVEDTRA 11100-A. Three is the maximum quantity per requisition without approval. To requisition larger quantities, NETPDTC approval is required.   Refer to the "Catalog of Nonresident Training Courses," NAVEDTRA 12061, for current information.

2. How do I get an answer sheet for the NEETS CD?

   Answer: You can print an answer sheet from the NEETS CD.

3. How do I get an answer key for the NEETS CD?

   Answer: An ESO can order answer keys through the supply system.   Refer to NAVEDTRA 12061 for specific instructions. Use the same answer keys for the "paper" NEETS assignment to score the NEETS CD assignment.

4. How do I get a NEETS CD to take home and use on my home computer?

   Answer: If you are DOD personnel and your command approves, you may take the NEETS CD home and use it on your personal computer. DOD personnel can reproduce the CD for their use only.

5. May I make copies of the NEETS CD for all my technicians?

   Answer: You can make as many copies of the CD that you need provided your technicians are DOD personnel.

6. What ratings can complete the NEETS CD?

   Answer: Anyone can complete the courses on the NEETS CD.

7. What ratings will the NEETS CD help to advance?

   Answer: You should refer to the bibliographies (BIBs) or study the Advancement Handbook for your rating to find out if the NEETS modules are used as references.
